Hey Javier,

Let me see if I can find that information for you, permits apps are larger files and are usually mailed in to permit writers with hard copies also provided to regional offices. For quick reference, the NPDES permit numbers associated with the Mooresboro facility are as follows;

WW NC0089103
SW NCS000562
(Pretreatment River Stone WWTP) POTW NPDES NC0087084 Industrial User Permit 0008

Thanks.

Jeff

Good morning,

I hope everyone is doing well. Could I get a contact in the State's NPDES program that could provide me a copy of AZP's industrial wastewater and surface water discharge permits and the respective permit applications?

Thanks,
